SUBJECT: **Reinforcement on Existing Guidelines/Rules on Uniform/Appropriate Attire, Grooming, and Room-Hopping**

On Wearing Uniform/Appropriate Attire During Regular School Days

- All students have been required to wear the complete school uniform since November 7, 2022. Only students who have not received their complete uniform, as identified by the school, are still excused from wearing it until they receive their complete uniform.
- Wearing rubber shoes with the school uniform is NOT allowed. Please refer to DO Circular No. 001 for the prescribed complete uniform.
- On Tuesdays (Health and Wellness days), students still have to wear their uniforms in attending their regular classes. They are allowed to change to appropriate sports attire only during the Health and Wellness period.

On Wearing Uniform/Appropriate Attire During School Events and Other Activities

- On days when students are allowed to wear civilian attire, they are NOT allowed to wear sleeveless, see-through, plunging neckline, and revealing clothes; shorts and mini skirts; slippers and any open footwear.
- Guidelines on wearing of accessories per DO Circular No. 001 shall still be followed.

On Grooming

- When a student is marked with improper haircut during the first Monday of the month, his haircut will again be checked the following Monday. If the student is still not in proper haircut the following Monday, he will incur another count of improper haircut, and the counting continues every next Monday that he is not in proper haircut.

On Room-Hopping

- Students are NOT allowed to enter classrooms of other sections unless given permission by the teacher or other school personnel.

For your guidance and compliance.
